**The menu** of J J Fish from Bolingbrook comprises about **119** different courses and drinks. On average you pay about \$12.6 for a dish / drink. The restaurant, located in a somewhat worn down area, offers tasty catfish comparable to neighboring Babas but has left some customers unsatisfied with party wings and warm coleslaw. Negative experiences include long wait times, overcooked chicken, and inconsistent pricing. However, the food quality remains consistent for loyal customers, despite rising prices and slow service. Overall, opinions are mixed, with conflicting reviews about the taste and service quality. Customers seem to be divided on their dining experiences at this establishment.
