Een uitgebreide [menukaart](#) van Bozar uit Brussel Centrum met alle 20 gerechten en drankjes vind je hier op de menukaart. The restaurant received mixed reviews from diners who visited during special event days. While some praised the flavors and presentation of dishes, others were disappointed by the quality of the food and unprofessional service. One customer described the tough Simmenthal steak as the worst meat they had ever been served, while another found the strawberry dessert to be the only consolation of the evening. Despite some criticism, a satisfied visitor commended the menu as sumptuous with five-star service, attention to detail, and balanced flavors. Overall, the restaurant left diners with varying impressions ranging from disappointment to delight.
