The restaurant from [North Vancouver](#) offers **30** different **courses and drinks on the menu for an average price of CA\$14. Rice and Noodle continues to impress with its delicious food and friendly atmosphere, with standouts like the creamy Peanut Stirfry and flavorful Pad Thai winning rave reviews. However, concerns have arisen regarding service quality, customer interactions, and pricing discrepancies between in-store and online orders.**

Many patrons noted a decline in staff attentiveness and professionalism, impacting their overall experience. While the menu offers appealing options, some diners suggest that adjustments could enhance communication regarding spice levels and allergy concerns. Overall, Rice and Noodle remains popular, but improvements are necessary to restore its previous excellence.
