Grote Markt 27, Ronse, Belgium  
**+32486541849** - <http://amadeus-resto.be>

Op deze homepage vind je het **volledige [menu](#)** van Amadeus Ronse uit Ronse. Er zijn momenteel **15** maaltijden en drankjes beschikbaar. Amadeus Restaurant offers a mixed dining experience. Despite a nice reception and quick aperitive, the ribs were disappointing with dry and flavorless meat. The service was slow and lacked attention to detail. However, the ribs were delicious for some customers, and the all-you-can-eat concept at a reasonable price was appreciated. The establishment has a charming 18th-century decor and can accommodate both small groups and larger parties. In conclusion, while there were some positives, the overall dining experience left much to be desired at Amadeus.
