On this website, you can find the **complete [menu](#) of Bbq Express Bradford** from Bradford. Currently, there are **17** courses and drinks available. Despite some mixed reviews, BBQ Express seems to be a hit with many regular customers. The food quality is average, but prices are reasonable. However, complaints about customer service and missing items in deliveries have been a recurring issue. On the other hand, positive reviews praise the delicious grilled chicken and ribs, as well as the friendly staff and inviting atmosphere. With a varied range of dishes, BBQ Express may be worth a try for those looking for fresh and healthy food options in a welcoming environment.
