Een **volledige menukaart** van T Brigandje uit Maldegem met alle **28** maaltijden en drankjes vind je hier op het menu. Overall, this restaurant has received mixed reviews. Many customers mentioned friendly service and a nice atmosphere, but there were complaints about slow service, long wait times, and issues with the food quality.

The spare ribs were a highlight for some, but others found them underwhelming. Prices were considered reasonable, but some felt certain dishes were overpriced for the quality. Despite some negative feedback, the restaurant seems to have a loyal following, with some diners mentioning they have been customers for many years. Location wise, it may be a bit out of the way, but for those looking for good spare ribs, it could be worth the trip.
